Smart phone free school

Waterside Primary Academy

School Rules on Mobile Phones for Year 5 and Year 6:

- We are a Smart Phone Free School. Please click on the below link for more information: -
<https://www.smartphonefreechildhood.org/schools-network>
- We strongly discourage pupils from bringing phones to school, as there is a risk of phones being lost, damaged or used inappropriately in school. Parents can always get a message to pupils by calling the school office.
- If a pupil has a need to bring a phone (**Not a smartphone**) to school, their parent must complete this permission slip and hand it to the class teacher.
- Phones must be turned off at all times on school premises (including on the playground before and after school, and in the cloakrooms).
- Pupils must hand their phone to their class teacher when they arrive at school. Their phone will be returned to them the end of the school day.
- The school accepts no responsibility for loss or damage to mobile phones. Please avoid sending valuable phones to school.
- Pupils' phones should be clearly marked with their name.

- Times tables and Key Number Facts
- Weekly spellings
- Home quizzes and reading

Key Facts:

Talk to your children as much as possible and encourage conversations to develop language & read to your child and listen to them read as much as possible as research shows that children perform better and make more progress when parents focus on reading and vocabulary!

Waterside Primary Academy

Attendance

- Being in school is important to your child's achievement, wellbeing and wider development. Evidence shows that the children with the highest attendance throughout their time in school gain the best results.
- Having 90% attendance over 5 school years is half a schools year of work missed.
- We look for a minimum of 95% attendance. Any children below this will receive a letter at the end of a half term.
- It is vital you let us know if your child isn't in school and why.

New Attendance Rules!

There are new rules for unauthorised absences, whether this is due to holiday, irregular attendance, or otherwise. Don't get caught out!

1 I'm a parent and I want to take my child out of school for a half or full day.

Any absence must be recorded on an absence request form. The form enables us to communicate whether an absence will be authorised or unauthorised. Holiday requests will not be authorised. If your child will miss 5 school days, they will be given a penalty notice fine. The fine is £80 per parent, per child, if you pay it in 21 days, otherwise it is £160.

For each child a penalty is given...

+£80 +£80 +£80 +£80

4 children & 1 parent = £320
Doubled to £640 if not paid in 21 days

For a family of 2 parents & 2 children

+£80 +£80

£160 x2 = £320
Doubled to £640 if not paid in 21 days

What happens if school suspects children are actually on holiday?

Photos on Facebook?
Foreign mobile dial tone?
Other children talking about your holiday?
Amazing sun tan?
Home visit shows no-one at home?

Please don't be offended if we ask for evidence or mention these questions to you. We're required to do this to ensure a fair system!

2 What about subsequent absences? Is it still the same penalty amount?

No, not anymore. If in any period of not more than 3 years, your child has a 2nd and 3rd leave of absence OR pattern of irregular attendance, which is unauthorised, then...

2nd TIME
2 parents and...
1 child = £320
2 children = £640
3 children = £960
4 children = £1280
NO DISCOUNT FOR EARLY PAYMENT

3rd TIME
A penalty notice fine will not be given. Instead, your case will be taken to court. A magistrate can fine each parent £2,500 for each child.
1 parent & 4 children = £10,000
2 parents and 4 children = £20,000

3 What about irregular attendance? Could I get a penalty notice? YES

If your child is absent (or late after registers) for 10 or more sessions in 10 weeks, and their absences are unauthorised, then the school is required to consider penalty notices / prosecution.

PENALTY!

So, half a day here and day there could all add up to 10 sessions in 10 weeks. If unauthorised, then it would be a penalty notice. Remember, 1 day is 2 sessions (morning and afternoon).

4 What are typical reasons given that won't be authorised?

Examples of unauthorised absences

A family member's birthday	Sickness of parent or sibling
Shopping for uniforms	Sibling's school closed
Inadequate clothing for school	Refusing to attend, but able to
Child being used as a carer	Poor family organisation
Problems with transport	Family holidays
Visiting relatives abroad	No absence request completed
	Non-essential appointments

Where attendance is irregular, or historically poor, sickness absences may be unauthorised unless medical confirmation by a GP surgery is given.

Restorative approach within school

- *At Waterside PA, we try to use a positive approach in helping our children to feel good about themselves.*
- *We have a 'Celebration assembly' every Friday where a child is chosen to be 'Star of the week'.*
- *We also award children with subject and caring awards at the end of each half term/term.*
- *We encourage the children to become problem solvers by using a restorative approach of teaching them how to resolve issues between themselves.*
- *We avoid heavy behaviour sanctions as much as possible but instead use a nurturing and responsive approach to help our children learn how to manage their feelings and behaviours.*

Waterside Primary Academy

Restorative approach within school

- The children use a daily feelings chart (Zones of regulation) and can share how they feel with the rest of the class daily.
- This helps children understand their own feelings and be able to express themselves from a young age, encouraging them to be much more emotionally intelligent and aware of others.
- Please read more about our visions and values and behaviour policy on our website.

Amazon class wish lists

Like many schools across the country, we are experiencing increasing demands on our budget while receiving less financial support. This means that purchasing additional resources and equipment for classrooms is becoming increasingly challenging. We are always committed to providing the best possible learning environment for our children, and we greatly appreciate the support of our school community.

- From September, each year group will have an Amazon Wish List containing resources and equipment that will be used directly by the children throughout the academic year.
- Families who would like to support their child's class will be able to purchase items from the wish list. There is absolutely no obligation to do so, and any support, no matter how small, will be greatly appreciated.
- All purchased items will be sent directly to the school. When placing an order, please include the class name in the delivery information and use the school's address for delivery.
- The resources requested will be carefully selected to enhance learning experiences and support the curriculum for the children in each year group.
- Thank you for your continued support and generosity. It makes a real difference to the opportunities and experiences we can provide for our pupils.
